Hometown America Process

HTA

- Emergency Preparedness team with Hometown, TWHOA and Tara Woods CERT to promote the safety of residents and employees
- COMMUNICATION to residents via One Call, A-Frame signs with focus on evacuation
- [Lee County Southwest Florida \(leegov.com\)](http://leegov.com)
- Plan formalized to include building security, pools, drain cleaning, recreation campus equipment removal
- Secure public buildings including clubhouse
- Staff will inspect property for safety hazards
- Update your Emergency Form and if you are leaving – you must pick up HOME/OK sign from the office.

LEE COUNTY MANDATORY EVACUATION ORDER

A Mandatory Evacuation has been issued for Lee County residents. I have chosen to disregard this order and will be staying in my home. I understand that emergency services may not be available to me.

Name _____

Address _____

Emergency telephone number _____

A HOME/OK sign will be given when the paperwork is turned in.

Preparing your home

- Yard preparation (potted plants, furniture, secure mailbox, pole lamp, water purifiers, flags and grills)
- Plan for valuables
- Take photos of your home in current state
- Install your shutters prior to your evacuation – not before
- Secure your car if you are not driving
- Apply tie-downs to carports
- Fill bathtubs with water
- Secure your emergency supplies for when you return
- [Lee County Southwest Florida \(leegov.com\)](http://leegov.com)

Where do I go and how do I get there?

HOA

Family or Friends

- Outside of the storm area
- Notify your personal emergency contacts on where you are going

Hotel reservations outside the storm area

- **Ask Hotel what their evacuation plan is . All Hotels must take pets!**

How are you evacuating – Train, Plane or Automobile

- Map your destination with multiple routes
- Plan for added gasoline needs
- Provide for extra cash source
- Book tickets early for planes, trains and buses

Wherever you go - Go early !!!
