

Senator Ben Albritton
404 S. Monroe St
Tallahassee, FL 32399

Dear Senator Albritton,

I hope this letter finds you well. I am writing to express my staunch support for Senate Bill 1714 and to respectfully request that you also support its passing. This bill holds significant potential to positively impact our community here at Tara Woods in North Fort Myers, Florida.

Senate Bill 1714 addresses the Local Housing Assistance Plan, and amends Chapter 420, Part VII, of Florida Law, which is a crucial issue that has long needed legislative attention. The passing of this bill would help many community members who have lost spouses and are living alone on social security. Being a mobile home community which has a fifty-five or older resident population, it is low-income housing compared to the surrounding communities.

As a concerned citizen, I believe that Senate Bill 1714 will bring about much-needed financial wellness. Therefore, I urge you to consider the positive impact this legislation will have and to vote in its favor.

Thank you for your time and attention to this matter. I appreciate your dedication to serving the best interests of our community and the State of Florida.

Sincerely,

Your TWHOA Board Members
