Dear Mr. Dunning,

I am in receipt of your letter dated March 28, 2019 regarding the use of the clubhouse as a hurricane shelter. Thank you for reaching out to me regarding your concerns.

At this time, I am unable to provide a letter confirming our policy. We have not yet fully determined this outcome, and we are still investigating the viability of the clubhouse as a hurricane shelter. I can assure you that once a final decision has been made, Darlene Bradley, Community Manager, will reach out to you with updates.

Thank you again for your diligent work with the HOA and ultimate goal of keeping the residents of Tara Woods informed and safe.

Kind Regards,
